Support our Lenten ShareLife Appeal

Our parish's first ShareLife collection will be held in two weeks, on the weekend of March 27th. In today's second reading, St. Paul exhorts us to follow the example of the life of Jesus Christ. Our annual ShareLife campaign calls us as Christians to show our love to our brothers and sisters in this season of almsgiving. More than 40 Catholic organizations and social service agencies are supported through your generous support. Without our support, the more than 150,000 people who are helped each year would not receive the hope offered through the important works of these agencies. As we approach Easter, we give thanks to Our Lord for the everlasting love He gave us through his life and resurrection. Thank you for your generous support for ShareLife.

March 27 is ShareLife Sunday.
Please give generously.

St Theresa 2022 Online Lenten Saturday, April 2 @ 11 am Retreat/Reflection Hour (85 mins)

Reflecting on the Impact of Media & Technology on our Spiritual Life

The pandemic has increased the power and presence of media and technology in all our lives. At the same time, it has revealed the wound of our loneliness and separation. Change has overtaken us. Technology has overrun us. And we have been apart too long. We need time to reflect and process. In too many ways these communication tools have cluttered us with noise, getting in the way from hearing God's voice in our lives.

Marshall McLuhan was an internationally famous Canadian professor, regarded as the "prophet of the information age" and credited for predicting the internet 35 years before its time. Professor McLuhan was also a devout Catholic who spent his career teaching in Catholic universities. He deeply understood how media and technology were shaping our modern lives and asked us "to open our eyes and pay attention" to the changes happening to us. As a Catholic, speaking of the spiritual dangers of our information age, he announced, "At such times it becomes crucial to hear properly and to tune yourself into the right frequency."

Deiren Masterson is a fellow, St. Theresa's parishioner and a professional filmmaker who produced the award-winning film "McLuhan Way: In Search of Truth" on the life and Catholic faith of Marshall McLuhan.

In this special online Lenten Retreat, we will be gathering for a time of prayerful reflection, to watch this deeply thoughtful 42-minute film, to reflect on the promises and pitfalls of our communications tools, and to reflect on the true Communion we all seek, the Communion with our Lord and God.
